**3 - 4
NOVEMBER
2023**

**PRE-MEETING COURSES: 1-2 NOVEMBER
DUBAI, UNITED ARAB EMIRATES**

... ABOUT

simplyORTHO

The simplyORTHO Annual Meeting aims to be the go to Meeting for specialists who want to network and learn about the latest scientific and state-of-the-art technology and expertise for the sector from international masterclasses while gaining insights into the shaping of the future of the but in a setting which allows for greater interaction and less formality.

This Meeting has exponentially grown in popularity because it represents the way young professionals want to interact with senior experts while also creating long term connections and advancing their careers. It is the perfect platform to showcase products and services because the motto is advancing knowledge through shared experiences.
