

PROFILE

Sailesh Nathan is the President of Diplomats Summit companies in London and India. A global enterprise which connects the private and public sectors across borders. DS is profoundly rooted in the concept of globalization and reflects as a welcoming platform where people from myriad industries join hands to explore the avenues of growth. For more than two decades, DS has been the catalyst to numerous entrepreneurs for successfully expanding their footprints worldwide. From SMEs to MMEs, local to international, Mr. Nathan goes that extra mile to bridge the gaps and facilitate resources to these entrepreneurs thus identifying promising opportunities around the world.

DS escalates on its credibility with its case studies that map out successful business set-ups, lucrative joint ventures, valuable funding plans, constructive partnerships and mergers as well as favourable acquisitions in Dubai, UAE, Middle East, India, Europe, Africa and numerous other countries organizing and inviting delegates in Dubai UAE and also take delegation overseas.

Be it a new business idea or a business expansion blueprint, Mr. Nathan excels as an economist whose analytical skills prove his mettle time and again. He quotes 'MY NETWORTH IS MY NETWORK'; he meets people hailing from different backgrounds and shares insights on different business ideas so as to give them turn-key solutions. From establishments to legal procedures and other processes, DS is globally equipped with a plan to take complete charge and extend support from the government as well as the relevant private sectors.

Diplomats Summit strongly believes in Entrepreneurships and takes stride in supporting Startups and Women and Youth Empowerment in many countries.

His journey working career which started at the age of 08 selling lottery tickets in the streets of Madras then, Mr. Nathan also has more verticals of business to his name. A well-established entrepreneur and leader based in Dubai.
